SORRENTO LIONS CLUB MISSION

Our mission includes serving our community and beyond by providing voluntary services and raising funds for humanitarian activities. The festival is our primary fundraiser to support the Louisiana Lions Eye Foundation and the Louisiana Lions Children's Camp. In addition, this event provides resources which allow us to supply glasses and hearing aids to those in need in our community and to send handicapped children or children with juvenile diabetes to camp during the summer. Through the support of our community and generous sponsors like you, we have been able to keep the legacy of the Boucherie Festival alive while fulfilling its purpose of helping others in need.
